EXPERIENCE

FRONT END DEVELOPER + GRAPHIC DESIGNER
STUDIO EMERY | 2019 - PRESENT

• Translates web designs into dynamic, responsive **websites** using HTML5, CSS3, SASS, **JavaScript**, and **WordPress CMS**

• Redesigns websites for local small businesses such as **Pitbull Skateboards** which results in increased customer engagement and online sales

LAB AIDE
MORAINE VALLEY COMMUNITY COLLEGE | 2019

• Developed 2 independent design and research projects which required excellent project management skills and quick decision making.

• Tutored 3 students one-on-one in Adobe Creative Suite software, which resulted in excellent portfolio projects and improved final grades.

GRAPHIC DESIGN INTERN
3 FEATHERS DIVINATION & APOTHECARY | 2018 - 2019

• Created branding for a local small business which included logo, website, and product label design.

• Collaborated with business owners to bring their vision to life

TECH SUPPORT
CUSTOM PERSONALIZATION SOLUTIONS | 2019

• Personalized a wide variety of products using Adobe Suite, working at a fast pace of 75+ orders an hour.

• Set product designs up to print on Roland roll press printers, and printed stickers and vinyl products on Epson printers.

EDUCATION

MORAINE VALLEY COMMUNITY COLLEGE
DIGITAL ART & DESIGN, ASSOCIATE OF APPLIED SCIENCES

• Design - Layout + Interface
• HTML + CSS

SKILLCRUSH
FRONT END WEB DEVELOPMENT

• Studied remotely, balanced multiple projects, and attended bi-weekly Zoom meetings with other development students and support staff.

• Contributed to an open source project with other developers using Git.

• Developed skills in HTML + CSS, JavaScript + jQuery, Git + GitHub, Command line, Responsive development, WordPress CMS, and PHP.
